Serving the Community

Our department is proud to focus our efforts to serve the community within the National Recreation and Parks Association's Three Pillars of Impact.

Our parks are critically important in preserving natural resources that have quantifiable economic benefits to our community, in addition to intrinsic environmental, aesthetic, and recreation benefits. We are a voice in our community for protecting open space, connecting children to nature, and providing education and programming that helps communities engage in conservation practices. Mesa is leading the way in developing new “low water use” parks that beautify our desert community by embracing native flora and trees.

Our parks and recreation staff are leaders in improving and enhancing health and wellness by offering fitness, sports, and healthy lifestyle classes for people of all ages and abilities. We are actively engaged in providing opportunities for citizens in reducing obesity, physical inactivity, and poor nutrition, while strengthening skills that enrich our mind, body and overall attitude. Mesa has miles of bike routes and jogging paths through park land and canal paths as a commitment to outdoor activity.

Our department embraces universal access and inclusion to park and recreation services and facilities. We strive to ensure citizens equal access and opportunities that transcend barriers of income through a low fee structure, fee assistance and scholarship opportunities. New facilities and playground upgrades are made with inclusive designs that allow users, regardless of ability, the opportunity to recreate together. In addition to bilingual customer service staff, the departments print materials are available translated into multiple languages.

What to know when you visit a Mesa Pool!

POOL & SLIDE SAFETY

To ensure the safety of all patrons, use of flotation devices is limited and at the discretion of the pool manager. Large toys and devices obstruct the lifeguards' view of pool areas and are prohibited. In order to protect the slide's surface from damage, clothing with metal or plastic rivets is prohibited. Children must be at least 8 years old and 42" tall to use the 3-meter diving boards. A complete list of pool rules is available at each facility.

CAMERA POLICY

The use of cameras and video recording devices is prohibited in bathrooms and locker rooms. The pool manager must approve video recording and photography of any kind in the pool area.

SAFETY BREAKS

Please take your children on bathroom breaks or check diapers often. This promotes a healthy and clean facility.

All pools will have a 5-minute "Safety Break" each hour to give patrons time to use the restrooms, put on sunblock and rehydrate. Waiting to hear "I have to go" may mean that it is too late.

Please change diapers in a bathroom and not at the poolside. Germs can spread to surfaces and objects around the pool and spread illness. Please wash your child thoroughly (especially the buttocks) with soap and water before swimming. Your help will prevent our pools from unnecessary closures due to fecal accidents.

CHILD SAFETY

To ensure the safety of your child, we require all children under the age of 8 to be accompanied by a parent or adult, and remain within arms reach of the child at all time while at the pool. Parents are ultimately responsible for the safety of their children. All children older than 8 without supervision are required to have a guardian provide emergency contact information upon entering the facility.

DIAPERS

It is mandatory that all children not 100% potty trained MUST wear swim pants (water-impermeable with elastic legs and waistband) OVER their diaper. Plastic pants are preferred and can be purchased at the pool for \$2.00.

Aquatics – Lifeguard Classes

Junior Lifeguard

The Jr. Lifeguard program is a service learning approved volunteer program for youth interested in work experience in preparation for a lifeguarding job. Participants will be given instruction in: assisting with swimming lessons, event leadership, pool safety, emergency response and professionalism. After this class participants are asked to volunteer a minimum of 30 hours in City of Mesa Aquatics programs. Participants must be able to swim 200 yards continuously, tread water for 60 seconds and surface dive and swim under water for a minimum of 10 yards. For ages 13-16. For more information contact Christine Moore at 480-644-4950 or christine.moore@MesaAZ.gov.
Resident: \$48.00. Non-resident: \$58.00

Veteran Junior Guard

This program is ONLY for teens who have completed the Summer 2016 Junior Lifeguard program with the City of Mesa. First in-service day is Tuesday, May 30th. Remember to bring your availability and vacation requests at this time. For more information call 480-644-4951.
Resident: \$27.00. Non-resident: \$32.00.

Lifeguard Training

This course is designed to teach lifeguarding responsibilities and rescue skills to certify participants for potential employment. Class includes CPR/AED for the Professional Lifeguard certification. Come prepared to swim on the first day. Participants must be 15 yrs. or older by the last day of class. Proof of age required first day of class, bring ID or birth certificate. All class dates are mandatory. Fee includes additional equipment. Course pre-requisite skills tested on the first day: 1. Swim 300 yards continuously using freestyle and backstroke. 2. Swim 20 yards, surface dive to a depth of 10 feet and retrieve a 10 pound object, return to the surface and swim 20 yards back to the starting point with the object in both hands (head out of water), and climb out of the pool without using the steps or ladder in under 1 minute 40 seconds. For more information call Mark Foote at 480-644-4951.
Resident: \$199.00. Non-resident: \$229.00

Olympic Camp

It's back by popular demand! Don't miss out on the most exciting camp of the summer...Olympic Camp. Join us for a week of fun as youth will get to experience five different and unique sports that are played in the Olympics. Each day we will offer a new sport where you will get a chance to learn the basic fundamentals of the game. Participants must wear closed toe athletic shoes. All skill levels and abilities are welcome and encouraged! This co-ed camp is for participants enrolling in 1st-6th grade in fall 2016. Registration deadline is July 27. No refunds after July 27. For more information visit www.mesaaz.gov/youthsports or contact Lacy Bienkowski at lacy.bienkowski@mesaaz.gov or 480-644-3040.
